Safety Focus!

Did You Know...

- Safety focus is part of our work culture.
- We all need to be a leader in HES performance in both calm and difficult times.
- We need to use our safety tools we possess especially the “BRAIN”.
- We all have a strong team of safety resources
- Remember SAFETY is:
 - NOT JUST A PRIORITY, ITS AN INHERITED CORE VALUE
 - Fundamental to where we all came from and to what we will become
- Stay focused, use the tools and resources everyday!
- Remember to get engaged with SAFETY at all opportunities
